KINGDOM BUILDERS

2021 Project Guide

Why Kingdom Builders?

At New Life Center, our heart is global and local.

Our heart beats for the THOUSANDS of people that live in the inner city of Des Moines or communities below the poverty line who are without a church home, and the BILLIONS of people around the world who have yet to hear that Jesus loves them and longs to give them a future and hope.

That's why we believe in Kingdom Builders.

So people in Central Des Moines and around the world can hear the good news that Jesus is for them!

The tithe is about obedience. Kingdom Builders is about generosity.

Kingdom Builders is the way to express over-and-above generosity at New Life Center. We know that God has been incredibly generous to us and we want to give so that others can experience the same freedom and joy that we ourselves have experienced.

When God looks at us we want Him to see hearts of gratitude and generosity.

Thanks for joining us on this journey! We can't wait to celebrate all that God is going to do through us this year locally and globally!

Our 2021 Goal is \$40,000!

What Do Kingdom Builders Dollars Do?

Kingdom Builders 2021

Kingdom Builders dollars fund three avenues that move the Kingdom of God forward:

WORLD - Global Missions

Kingdom builders gives us the opportunity to support our current missionaries as well as support key missions projects around the world. We desire to support every Iowa missionary. Every person, in every nation, deserves a chance to hear the gospel.

CITY - Local Missions

Kingdom builders is committed to funding the growth of the local church by expanding our campus, supporting local mission work and ministering to the hurting in our own backyard.

CHURCH - Future Leaders

We will risk everything for the next generation because they are the heartbeat of our church now and the Church of the future. Through Kingdom Builders we're believing God to raise up world changers who are committed to love, serve, and give more.

What Happens When I Give to Kingdom Builders?

We're glad you asked?

At New Life Center, we believe in the tithe—returning the first 10% of our income back to God. The tithe is used for the day to day operations and ministries of New Life Center.

When you give to Kingdom Builders, above and beyond the tithe, we get to see God's kingdom advanced on a large scale as we put our resources together to make a significant impact.

That's what the rest of this booklet is about. Showing you the impact your giving will have this year and for eternity.
